Week of Prayer and Fasting 13 - 18 October

Everyone committed to the vision of St Mary's is asked to make this week a time of special prayer towards breakthrough for the formation of mission-shaped communities and the finance required for 2009 and 2010 for children's work.

Please make every effort to attend at least some part of the **half-night of prayer on Wednesday 15 October, starting at 7:45 in the Meeting Room** and attempt some form of self-denial (sounds really heavy so must be counter-cultural!) through the week. In addition, consider attending one of the events detailed on separate sheets on tables.
